Hon. Commissioner of Patents,
Washington, D.C.

Sir,

This transmittal is in response to a Notification of Non-Compliant Appeal Brief (37 CFR 41.37), in regard to patent application serial No. 10/765,501 filed 1/26/2004 by David E. Huddleston. Said notification was sent on 1/13/2010. For reference a copy of the notification is included in this transmittal.

In response to the sole defect noted in the notification of 1/13/2010, please find enclosed a signed verbatim copy of the non-compliant brief originally filed on 5/9/2008. Each page of the enclosure has also been signed, in token of the applicant's assurance that this is a verbatim copy of the originally submitted document.

Respectfully,
David E. Huddleston
